Call to Order

Mayor Conway called the meeting to order at 3:30 p.m.

Purpose

The purpose of the meeting was to discuss the issues we are having with our well system. Justin and Kenny described the problems to council - the biggest one right now being a problem with the cable supplying power to Well #1. Well #3 was never used as it produced dirty water. Jocelyn had spoken with Darryl Mills, the engineer who designed the system. Mr. Mills recommended that we get Electric Motor & Pump from St. John's to do an assessment, as this was the company that installed the wells. The quote from Electric Motor & Pump is \$3600.00 + HST.

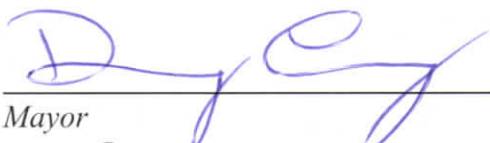

Motion #18 - 78 Fleming/White
Resolved to abandon Well #3. All in favour. Motion carried.

Motion #18 - 79 Messervey/Tobin
Resolved to go ahead with the maintenance program with Electric Motor & Pump. All in favour. Motion carried.

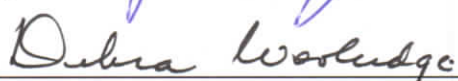

Adjournment

Motion #18 - 80 Tobin/White
Resolved that meeting be adjourned. All in favour. Motion carried.

Meeting adjourned at 3:50 p.m.
